Happy Howlidays!

President's Message

Hello Pet-A-Pet Family!

As we get ready to wrap up the year, we want to thank everyone for their continued hard work, support and selflessness. Each visit impacts everyone in such a massive way and I hope every one of you know how amazing you and your furry companions are. The smiles speak volumes and we're proud of what Pet-A-Pet accomplishes everyday. Thank you again and on behalf of the entire board, happy holidays and we look forward to another strong year together!

Coordinator Notes

New Coordinators Needed!

Please see the list of facilities on this page. More are added every month. **Please encourage your members to become coordinators.** That's the only way we can keep growing.

Insurance Certificates

Coordinators: If your facility is requesting a certificate showing that Pet-A-Pet carries liability insurance, please contact our treasurer, Lyn Ehrman (see page 2). The treasurer will notify our insurance agency and the certificate of insurance will be sent to your facility.

The following information is required:

- The complete name, street address, city, state and ZIP code of the facility.
- The complete name, title, telephone number and e-mail address of the facility employee who is requesting or should receive the certificate.

Please note: We currently renew our insurance policy in December. The certificate will show that a policy is in force until December.

Pet-A-Pet Club policy is that only scheduled group visits are covered under our insurance.

Help us keep up to date:

- **Please fill out and submit the Coordinator/Facility form annually when sending renewals and when adding a new facility.** Send all coordinator forms, registration forms and dues to Lyn Ehrman.
- **Remind your volunteers** to notify Lyn of any change of address or contact information.
- If you need **additional registration forms**, contact Pat Glinski

Remember

- **Pet scarves should be ordered from Cathy Totzkay** for new volunteers. **Pets are to wear their scarves on visits and handlers should wear a Pet-A-Pet button** (Cathy has these also), if they don't have a club shirt.
- If you notice any errors on the **web site** schedule, please contact **Lauren Paul**.
- **Please review your facility listings** (pp. 6-7) and send any corrections, additions or deletions for the next newsletter to petapetnewsletter@gmail.com.

Note: If additional volunteers are not needed at your facility, please refer the potential member to another facility/coordinator in your area, or direct them to our web site. **PLEASE don't send a potential new member away!**

We have many places asking us to come, we don't have enough people to fill requests. Welcome new teams - you may not need them, but Pet-A-Pet sure does!

**Thank you for your service in the Pet-A-Pet Club.
We couldn't do it without you!**

Become a Coordinator!

If you are an active volunteer near any of these facilities, **please consider coordinating.** It's not difficult.

The requirements for a member to become a coordinator have been updated. Please see the Policies on the next page. If you are able to help, please contact Pat Glinski (see page 2).

See Visitation Schedule for facilities needing more volunteers.

Pet-A-Pet Club Policies - Revised 09/2019

Please read thoroughly. Members are bound by these policies.

Some revisions didn't make it into the last issue. - ed.

- 1) The current membership dues shall be paid for each pet that is participating in the Club. In the event that a person is participating in the Club without a pet ("supporting member"), that person shall pay the current annual dues. Dues shall be collected yearly by June 30. Dues paid starting on March 1 through June 30 shall be credited through June of the following year.
- 2) Health Requirements for all participating animals in the Pet-A-Pet Club activities are as follows:
 - a. Annual veterinary examination and certification and current rabies vaccine as required by state law
 - b. Canine influenza and Bordetella vaccines are highly recommended.
- 3) All adult handlers/volunteers accompanying pets must sign the registration form to participate in visits.
- 4) Volunteer teams are NOT to visit any Emergency or Trauma Centers, Labor & Delivery or Surgery Departments.
- 5) All members shall be reminded to wear closed-toed shoes for their protection.
- 6) If you are ill, notify your coordinator and skip that visit.
- 7) If any facility has health and/or safety requirements for visitation, it is up to the volunteer to abide by those rules, or choose to change to a different facility to visit.
- 8) Animals must be on a leash no longer than six-foot at all times, kept under control and close to their owners at all times during a scheduled visit. The use of a retractable leash, i.e. "Flexi" leash, shall not be permitted during a scheduled visit or at any club function.
- 9) Formal obedience training is not a requirement; however the pet must be kept under excellent control and at the handler's side. An understanding of basic obedience commands is preferred, but not required. A calm, friendly, outgoing personality is more important than perfect performance. Handlers accept full responsibility for their animals' actions and must be in control of their animals at all times.
- 10) Requirements for a member to become a coordinator:
 - a. Must have reference by volunteer's current coordinator
 - b. Must have attended minimum of 12 visitations
 - c. Must be a member in good standing for at least 12 months
 - d. Must have paperwork orientation by referring coordinator or Coordinator Director
 - e. Must be replacing a retiring coordinator or starting visits at a new facility
 - f. There should be a minimum of two pet & handler teams to start visits at a new facility.
 - g. The Board shall have final approval of new coordinators and any visits outside of the guidelines above.
- 11) Coordinator packets shall be distributed by March of each year. Packets will also be distributed whenever a volunteer becomes a new coordinator at any time during the year. Besides the 3-part Registration Forms the packets shall include a copy of the following:
 - a. Coordinator's Duties
 - b. Coordinator and Facility Information Form
 - c. Pet-A-Pet Club Policies
 - d. Mission Statement / Introduction to the Club (includes Pet Screening Information)
 - e. Scarf Order Form for the coordinator
 - f. Apparel Order Form for the volunteers
 - g. Newsletter Deadline & Submission information / Photo Release Form

Coordinators may receive digital files of the above forms by contacting the Coordinator Director.
- 12) In addition to their Registration Form, *new* members should receive copies of:
 - a. Introduction to the Club with Requirements for Animal Volunteers
 - b. Pet-A-Pet Club Policies (09/19 revision, unless current update appears on back of registration form)
 - c. Apparel Order Form
- 13) The Pet-A-Pet Gazette (Club newsletter) shall be distributed 3 times per year with April, August and December being the targeted months.
- 14) Notification of the Annual Meeting will be listed in the April newsletter. Any candidates interested in running for election on the Board should notify a Board member. Nominations will be taken from the floor at the Annual Meeting.
- 15) In the event of a vacancy on the Board, the Board of Directors will meet to select and discuss possible candidates. The candidates will then be invited to attend the next scheduled Board meeting to meet the Board and/or be interviewed.

Rainbow Bridge

In Memory of Daisy

Karen Satterfield has lost a true friend. She passed away today, November 17, 2019. Daisy was a very loving therapy Golden Retriever. She was a very sweet gentle dog who loved her treats, she always knew who had them. We will all miss her very much.

Lyn Ehrman

In Memory of Demi

How do I begin to tell this journey about my beautiful gentle giant, Demi.

I was truly blessed to have that fur baby in my life for 9 years. Demi gave so much joy and love and smiles to all the people who's life she touched. People would say she is like a human in a dog's body. Her eyes would say it all.

I remember a time when we were doing a visit at one of the schools, for the special needs kids, and there was a boy who was afraid of dogs. I told him these dogs are very special and they will not hurt you. After a little bit of time, the boy slowly

approached Demi, who was laying on the floor like a big bear rug, and the boy touched her on the head. He then had a big smile on his face and we both gave each other a thumbs up.

Demi enjoyed Pet-A-Pet so much. When I would put her red bandana on, she knew that we were going to visit people. There are so many beautiful stories that I could share, but we all know what our therapy dogs do for everyone that we visit.

RIP my Demi and please give my parents a big doggy kiss from me.

Honoring a Retired Pet

Quinn

Our sweet boy, Quinn, now twelve, has been with Pet-A-Pet since he was four years old. He has made numerous visits over the years to different facilities in the Milford/White Lake area. The minute his Pet-A-Pet bandana was placed around his neck, he would get very excited as he knew exactly where we were going.

Besides getting to visit with his furry friends that he had made over the years, you could tell from his body language that he was excited and ready to share the love he held in his huge heart. It was such a joy to see the smiles that he could create in the residents' faces.

Quinn is still a very happy guy, but is going into retirement since with age comes some health issues. He is handing the torch over to his 'little brother' Shiloh, who will hopefully be able to continue and create those special smiles.

Volunteer Spotlight

Beth Travis and Drogo

There are not many Spanish Galgos in the United States and most people have never even heard of them. Drogo is a Spanish Galgo that came to America when he was 2 years old from Spain in 2016. Thanks to the kindness of Dr. Karen Michalski of Serenity Animal Hospital in Sterling Heights, she has brought many Galgos to America so that they could have a better life. I have personally adopted 3 Galgos from Dr. Karen. It is reported that over 60,000 Galgos are abandoned or tortured to death every year in Spain.

A lot of people think Drogo is a Greyhound when they see him and although he is a member of the hound family there are many differences between Greyhounds and Galgos. I knew when I met Drogo that he would be perfect for therapy. For all of the people involved with the rescue, medical treatment and transportation to make sure these beautiful dogs can have a life filled with happiness and love, I want to make sure that his life here has a purpose.

Drogo is a gentle giant and loves everyone and when he puts on his harness to go to therapy he is all business. Being able to take Drogo for therapy has been a rewarding experience for both of us. Plus I get to do it with two of my best friends, Lori Cora (and Layla) and our wonderful Coordinator, Lisa Jacques (with Leelan and Duncan).

I encourage anyone seeking to add an addition to your family to not overlook adopting an older dog or cat. They have a lot of potential and love to give if you are willing to devote your time to them.

MISSION STATEMENT

The Pet-A-Pet Club, Inc. is a non-profit organization. Members of the Pet-A-Pet Club commit themselves to encouraging the human-animal bond by educating the public regarding the health benefits of exposure to animals. We will do so by exposing those individuals who are least likely to have benefit of contact with pets to animals that best express the most positive attributes of living, affectionate and entertaining creatures.
